

Skill Council for Green Jobs (SCGJ) has been awarded the prestigious **PM: Suryaghar Muft Bijli Yojna** project to upskill **20,500 electricians** across India through the **Recognition of Prior Learning (RPL)** mode.

As a valued and trusted partner of SCGJ, we invite your esteemed Training Center to participate in this initiative and contribute to empowering the workforce that will support India's growing focus on renewable energy, particularly in the solar domain.

Project Overview:

- **Training Mode:** Recognition of Prior Learning (RPL)
- **Duration:** 60 hours (7 Days) per batch
- **Trainers:** Minimum of 2 SCGJ-certified ToT trainers per batch
- **Candidate per Batch:** Maximum candidates in a batch should not exceed 30.
- **Attendance Requirement:** 100% mandatory for all candidates. Payments will be processed only for candidates fulfilling this criterion.
- **Biometric Attendance:** Mandatory for each candidate to ensure seamless tracking and transparency.
- **Candidate's Payout:** Every pass candidate shall get 500Rs/ Day à for 7 Days ->3500.
- **Payment Terms:** Payment will be disbursed in a single tranche upon successful completion of the batch. Please note, the submission of invoices will be requested only upon receipt of funds from REC.
